¹ New and returning Premium users only. Requires joining an organization sponsored Fitbit program. No payment required. Must be activated within 60 days of device set-up. Premium content and features subject to change. US and Canada only. ² Battery life varies with use and other factors. Always-on mode requires more frequent charging. Fast charging enables 24 hours of charge with 12 minutes of charging. Notifications and on-wrist calls available when phone is nearby. Voice assistant availability and features may vary. See fitbit.com/voice. Google is a trademark of Google LLC. Skin temperature variation tracking and SpO2 are not available in all markets. The SpO2 feature is not intended to diagnose or treat any medical condition or be relied on for any other medical purpose. ³Subscriptions required for use of music services; not available in all countries. ⁴See bank availability at fitbit.com/fitbit-pay/banks. ⁵The Fitbit ECG app is only available in select countries; not intended for use by people under 22 years old. See fitbit.com/ecg for additional details. ⁶COMING SOON> Daily Readiness requires a Fitbit Premium membership. Premium content recommendations are not available in all locales and may be in English only.
